

SHARRON COURTNEY:

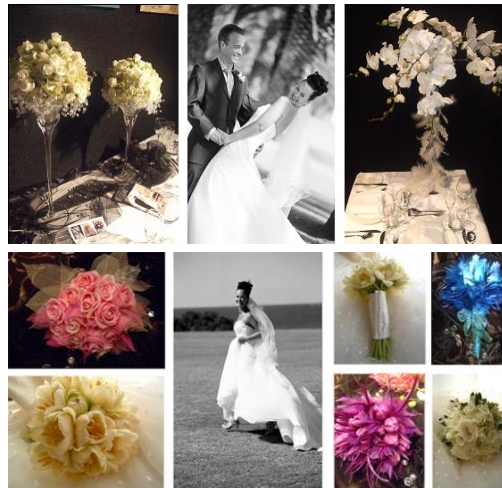

MASTER IN DESIGN

My journey in the Florist industry began in 1997 in New Zealand. Based in Paihia, Bay of Islands, I provided a Florist service from home to local clients and tourists. Moving to Auckland in 2001 I went on to achieve my full qualifications and to specialize in weddings. I had the privilege of designing wedding flowers for Salvesen Productions for a NZ movie and the TVNZ show called Hitched and Miss Auckland Finalists. In 2006 I went on to work for one of Auckland's largest hotels as the Senior Florist Manager. In 2009 I moved on with my own business designing weddings and events, bridal shows, theming Corporate and cultural stage events. I have worked in the fashion industry and for an interior design company. In 2017 I tutored floristry NZQA and ran workshops.
